

# Wedding Facilities

Tatler and Prime are ideal wedding venues, able to cater for wedding groups from 10 to 250.

## Tatler

If you have a small gathering and want a private dining room for your post-wedding dinner, Tatler's Spectator Room is perfect with seating for up to 28 guests and another 12 out on the covered, heated balcony.

Pre-dinner drinks on the balcony is a popular option with views over Lake Wakatipu. The Spectator Room features its own fireplace, bar and private bathroom.

Downstairs at Tatler we can seat 70 guests or accommodate 100 standing.

A popular option is to have dancing and dining downstairs and pre and post-dinner drinks upstairs.

## Prime Waterfront Restaurant and Bar:

Located on the shores of Lake Wakatipu, Prime's stylish, modern décor and stunning lake views create a special ambience. The venue features lighting, sound system and an elevated stage – ideal for speeches or a band.

There is also an elevator from street level – perfect for heavy wedding gifts!

At Prime we can serve plated meals or a buffet featuring barbecue or carvery meats.

The waterfront Prime Restaurant and Bar can accommodate 250 guests for a cocktail-style reception or 170 for a seated dinner.

Prime is also ideal for smaller gatherings too – clever curtain design allows the venue to be divided into several intimate areas.
